

Dear Orchestra parents,

We are happy to provide your child with a gently used orchestra concert dress for the school year 2026-2027. We would like to be able to continue this loaner program in the future, so we kindly ask that your child's concert dress be cleaned (NOT dry-cleaned) and returned to the orchestra room after the final concert of the year in April, but before the last day of school. We will send out a reminder email closer to that date.

If it is not returned before the last day of school on May 27, 2027, then we will need to charge you the replacement cost of \$65.00. Also, a hold will be placed on your child's school account until the dress is returned or the fee is paid.

Even if you plan to borrow a dress again for the following school year, please return this one clearly marked with your child's name, and next fall you will be issued the same dress.

Thank you for your understanding and for supporting us in our program to loan dresses in the future!
